

QUALIFICATIONS

Bachelors in Architecture,
Integral University,
Lucknow, India,
2015–2020

ACHIEVEMENTS

Awarded multiple design trophies
in ZONAL–NASA events in year
2017 & 2018.

LANGUAGES

English
Hindi
Urdu

SOFTWARES

Revit
Naviswork
Autocad
Rhino & Grasshopper
Sketchup
Photoshop
Lumion
V–ray
MS–Office Suit

MOHAMMAD ZAID BEG

SENIOR ARCHITECT (DESIGN+BIM TECHNOLOGY)

Creative and technically skilled Architect with over 5 years of experience in the AEC industry, specializing in Residential, Commercial, and Hospitality projects across the Middle–East and Western regions. Expertise in Architectural Design, Code Compliance, Technical Coordination, and BIM Methodology. Proficient in Modeling, Documentation, Rendering and leveraging tools such as Revit, BIM360, Navisworks, AutoCAD, Rhino & Grasshopper, SketchUp, Lumion, and V–Ray. Adept at managing project lifecycles from concept to production, ensuring high–quality deliverables and seamless collaboration. Passionate about innovative design solutions and committed to delivering excellence in every project.

AREA OF EXPERTISE

- Architectural Design Research and Development.
- Technical Design Integration, translating conceptual ideas into fully coordinated IFC ready models.
- Building Information modeling on Revit upto LOD400, 3D Modeling/Visualization using Rhino, SketchUp & AutoCAD for 2D Drafting.
- Proficient in Managing BIM360 & Autodesk Construction cloud.
- Production documentation of Schematic Design (SD), Design Development (DD) and Authorities Packages in coordination with other disciplines.
- Ensuring Design Compliance with Good Level of Knowledge in Local Authority Regulations like Building codes, Development Authorities, Fire Life safety and Civil defence etc.
- Technical Coordination with Suppliers for Accurate Data Integration.
- Detail–Oriented, Quick Learner and Collaborative Team Player.

PROFESSIONAL EXPERIENCE

■ STUDIOI (Formerly SIEC) , DUBAI – Architect (Design + BIM)

March 2024 – Present

1. Delivered expertise in Residential, Commercial, and Hospitality projects.
2. Developed architectural BIM models tailored to project requirements and

design intent.

3. Handled end-to-end documentation, from conceptual design to detailed design and authority submission packages.
4. Addressed modeling complexities, ensuring alignment with regulations, technical requirements, and practical implementation.
5. Collaborated effectively with multidisciplinary teams, including MEP and Structural disciplines.
6. Conducted clash detection and resolution for architecture and interdisciplinary coordination.
7. Administered BIM360 and Autodesk Construction Cloud for efficient project management.

■ **PNC ARCHITECTS (SOBHA REALTY), DUBAI – BIM Architect**
sourced by Omnix International
June 2022 – January 2024

1. Contributed significantly to the renowned Residential project ‘Sobha One’ in Dubai.
2. Created precise architectural BIM models aligned with project specifications and design goals.
3. Developing SD\DD package with Authority submissions.
4. Resolved modeling challenges while ensuring compliance with regulations, technical standards, and practical feasibility.
5. Coordination with other disciplines.

■ **EFFICIENTLY, USA – Junior BIM Architect**
(worked remotely)
March 2021 – March 2022

1. Trained in US-based construction practices and standards.
2. Specialized in BIM modeling using software like Revit and Archicad.
3. Collaborated with US-based architects on the design of small-scale residential projects.
4. Produced drawings for Schematic Design (SD) packages.
5. Specialized in interior modeling and high-quality renderings.

EDUCATION

BACHELORS IN ARCHITECTURE

INTEGRAL UNIVERSITY, LUCKNOW, INDIA

2015 – 2020

HIGH SCHOOL

SAINT PETER'S INTER COLLEGE, BAHRAICH, INDIA

2012 – 2013

RECENT CONTRIBUTIONS IN PROJECT

PROJECT NAME : BT WAADA–CASCADA TOWER, DUBAI–SOUTH
RESIDENTIAL TOWNSHIP

- **CLIENT :** BT WAADA
- **ROLE :** BIM ARCHITECT

PROJECT NAME : STUDIOI OFFICE BUILDING , DUBAI
COMMERCIAL

- **CLIENT :** STUDIOI
- **ROLE :** LEAD BIM ARCHITECT

PROJECT NAME : ITHRA–DIERA WATERFRONT DEVELOPEMT, DUBAI
MIXED USE DEVELOPMENT

- **CLIENT :** ITHRA DUBAI DEVELOPER
- **ROLE :** LEAD DESIGN ARCHITECT

PROJECT NAME : MARSZA ZAYED MASTER PLAN – AQABA ,JORDON
MIXED USE DEVELOPMENT

- **CLIENT :** ABU DHABI PORTS GROUP
- **ROLE :** DESIGN ARCHITECT

PROJECT NAME : SHOBA ONE, DUBAI
RESIDENTIAL TOWERS

- **CLIENT :** SOBHA REALTY DEVELOPER
- **ROLE :** BIM ARCHITECT
